

Festive Holiday Party Enjoyed by Members

With holiday music in the background, fifteen of our 49 members enjoyed a delicious array of finger food at our December 5 holiday party. Artists' interpretations of the Autumn Group Project were presented by each artist and the artwork was amazing as you can see by the photos below. Members created art in a variety of media: collage, oil, acrylic and watercolor, and to hear of their process was educational and informative. What talent we have among us! For those who did not participate, there will be more group projects coming in 2016; we hope you will participate and enjoy the experience of creating something unique and stretch your imagination beyond your "comfort zone" when it comes to the tools you use.

To those who attended, thank you for making the afternoon a fun one! I know I had a great time.
