

Creating a Charcoal Portrait with John Peck

John Peck was back for another one of his fabulous demonstrations on July 22 where he showed us his initial steps in creating a portrait using Nitram charcoal of our own Jennifer Glover – where her likeness revealed itself even before he applied details. You may visit John Peck's website and view his beautiful works of art at www.johnpeck.com.

One of John Peck's charcoal sketches.

John Peck begins a likeness of Jennifer Glover.

John Peck's sketch of Jennifer.
